## 180 Red With Goji

- Introduced:** February 2007
- Category/Style:** Non-alcohol - Energy drink.
- Taste Profile:** **180 Red with Goji** has a uniquely refreshing and slightly sweet lychee and cherry taste balanced with subtle tartness.
- Ingredients:** **180 Red with Goji** contains carbonated water; sucrose; Goji berry juice; acerola juice; guarana for natural caffeine; vitamins B-6, B-12 and C (all vitamins at 100 percent recommended daily allowance); and lychee natural flavor.
- How to Serve:** **180 Red with Goji** can be served straight, over ice, mixed or even blended into a smoothie with fresh fruits and a mint garnish.
- Interesting Facts:** Goji berries are nutritionally rich and have one of the highest antioxidant levels of any fruit. Legend has it that ancient Tibetan tribes relied on Goji berries to give greater energy levels and stamina, stimulate rejuvenation and increase spirit and optimism.
- 180 Red with Goji** is the first packaged energy drink containing the Goji berry launched by a major beverage company in the United States.
- 180 Red with Goji** won a silver medal at the 2007 North American Beer Awards.
