

Grolsch Blonde Lager

Introduced:	2003
Beer Category/Style:	Import – European mild lager.
Taste Profile:	Grolsch Blonde Lager has a uniquely smooth taste, created as an ideal complement to the summer months.
Ingredients/Brewing:	Brewed with the same ingredients as Grolsch Premium Lager; three varieties of two-row European spring malt and a small amount of crystal malt for sweetness.
Interesting Facts:	Although the same ingredients used in Grolsch Premium Lager are used to brew Grolsch Blonde Lager , a special brewing process gives Grolsch Blonde Lager its slightly sweet and mildly hoppy taste.
