

Grolsch Light Lager

Introduced:	2005
Beer Category/Style:	Import – European lager.
Taste Profile:	Grolsch Light Lager has a classic pilsner character with an authentic lager taste. Grolsch Light Lager finishes crisply with a touch of citrus fruit sweetness and balancing hop bitterness.
Ingredients/Brewing:	Brewed with the same ingredients as Grolsch Premium Lager; three varieties of two-row European spring barley malt and a small amount of crystal malt give Grolsch Light Lager its pale golden color and sweet, honey, toast and grain aromas.
Interesting Facts:	Grolsch Light Lager is only available in the United States.
