

Tennent's Lager

- Introduced/Availability:** 1885 in Scotland; available nationwide
- Beer Category/Style:** High-End Import; European Pale Lager
- Taste Profile:** Straw colored and well-balanced, **Tennent's** is a very light, refreshing lager. Sweet, malty flavors combine with a tangy hoppiness to create a crisp, refreshing character.
- Ingredients/Brewing:** **Tennent's** is brewed to the highest standards utilizing pure highland water and Scottish barley. **Tennent's** is 3.9 percent alcohol by volume (ABV).
- Packaging:** **Tennent's** is available on draught and in 11.2-ounce bottles.
- How to Serve:** Try pairing this beer with feta cheese, Caesar salad, grilled meats and fish.
- Interesting Facts:** **Tennent's** was the first lager to be brewed in Scotland and has been the market leader since the first batch from the Wellpark Brewery in 1885. It achieved international acclaim early on, winning the highest award at the Chicago World's Fair in 1893. It remains one of Scotland's favorite beers.
- Tennent's** is imported and distributed in the United States by Anheuser-Busch, Inc.
- Further Information:** 1-800-DIAL-BUD
